NEWS FLASH!

COVINA, CA, USA - July 2011 - Moore's Ideal Products LLC,
Manufacturer of Top Selling aftermarket parts for the RC Car Industry,
Release's **NEW Support Hardware Kits** for MIP Products.

MIP now has New Support Hardware Kits available for all its products. If a customer needs just replacement pins, or washers, or screws, or nuts, etc., no problem. They can now get what is needed without purchasing extra hardware they do not need. Attached you will find the complete list of MIP Support Hardware Kits, with part number, description, and retail price. The attachment is in Excel for easy to use. At the bottom of the master list you will notice tabs saying: Traxxas, Associated, Losi, Axial, and HPI. Just click on them to find cross reference charts. Follow the chart to find which Support Hardware Kit is needed for which MIP product, they are listed by the manufacturer of the vehicle, then MIP product. We suggest that sending this complete attachment to your dealers would be very helpful to them.

Another new support product:

#11115 MIP Capture Rings (4) for all MIP 1/10 CVD's \$6.00 retail

All Support Hardware Kits are available now.

MIP Products are 100% Quality made in the USA!
